Chomp the Chimp and the Rainy Day

By Franco E. Santos
Santos Press, LLC

Description:

Chomp the Chimp returns in this gentle story where Chomp experiences a rainy day that changes his usual activities and pace. As rain falls and the jungle grows quieter, Chomp pauses to notice his surroundings and enjoys a shared moment beneath the trees.

The story unfolds at an unhurried pace, allowing young listeners to explore flexibility, companionship, and quiet reassurance in the face of everyday change. Repeated patterns and a calm daytime setting support a gentle, reflective reading experience.
